

Tilden Plays Amazing Tennis in Winning Exhibition Match With Shimizu at Travers Island

World's Champion Is Victor in Sensational Three-Set Contest

Japanese Takes First Set, but Title Holder Wins Next Two and the Match, 4-6, 6-0, 6-4; Hunter and Shimizu Defeat Tilden and Richards

By Fred Hawthorne

All those faint of heart followers of lawn tennis who have been predicting dire things for William T. Tilden 2d, national and world's singles champion, and prophesying that "Long Bill" was gradually slipping on the down grade that leads to tennis oblivion should have been out at Travers Island yesterday afternoon, when this same "faltering" Tilden played an exhibition match with Zenzo Shimizu, of Japan. Henry W. Wilson, chairman of the tournament committee of the New York Athletic Club, arranged these matches.

I have rarely seen little Shimizu play better tennis than he showed yesterday, yet Tilden conquered him at 4-6, 6-0, 6-4, his work in the second set being little short of amazing. For that one set he traveled 4 miles so swiftly, so steadily in the service of his game, that he literally blazed on the court, even though he did manage to take three of the games to "deuce" more than once.

In the third set there was no let-down on the part of Tilden, but he took a "breather" in the second, returned to the fray with all the speed and tireless court coverage that marked his play in the opening set. They alternated in the lead up to 40 and then Shimizu broke through. "Big Bill's" service, aided by his dazzling placement, was twice as good as the world's champion by a wide margin. Shimizu looked very dangerous at that stage of the match, but then it was Tilden who thrilled the big gallery by a marvellous display of tennis as a world champion plays. He broke through Shimizu's service in the eighth game, forcing his opponent into errors by the very turn of his forcing shots, took the ninth game on his own account and delivered a knockout blow in the tenth, after a tremendous battle for the points. This gave him the set at 6-4, and the match.

Hunter's Tremendous Hitting

Following this singles exhibition, Tilden paired with Vincent Richards against Shimizu and Francis T. Hunter, national indoor champion, and greatly to the surprise of the gallery, Shimizu and Hunter won by a score of 2-6, 6-4, 6-4, the winners playing remarkably good tennis. Hunter, who had been playing a erratic hitting, made amends for this by periods of tremendous hitting and deadly placing, and it was one of his "bullet" forehand drives deep to Richards's backhand that marked the match.

It seemed to me that the national doubles champions were inclined to be careless in the third set, while Hunter and Shimizu, keenly alert for any sign of faltering, increased the power of their attack. Tilden made more errors in this match than he had all through the three sets of the singles, and Richards was not much better, but it was a string match from start to finish and the winners richly earned their victory.

Tilden started the service against Shimizu and lost the first game, "love," making two double faults before he got the kinks out of his arm. The pace began to increase gradually after that, Shimizu attacking everything back by amazing recoveries, and his control was so unerring that he soon had Tilden racing from side to side of the court after balls that cut the side lines. Tilden was most successful in this set with delicately played trapshots that barely dropped the ball over the net. Even the tireless Shimizu could not get to these little masterpieces of Tilden's.

Great Playing by Tilden

In the second set Tilden again began the service, winning his game after the points had reached deuce. There followed in the next two games perhaps the greatest display of tennis brilliance that Tilden ever showed. Shimizu, playing every point desperately, was only allowed one point in those two games, Tilden scoring nine placement aces in a set, composed of two trapshots, half a dozen terrific forehand drives and a decisive smash of a deep lob.

The champion was up on his toes at this period and scoring points with such force that he dazzled the gallery and drew generous acknowledgment from the hard-pressed Shimizu. After taking this set at "love," Tilden went into the third and final session, and although this time Shimizu thrived on the right to the end, "Long Bill" was a bit too much for him.

Sleepy Owl Nine Wins

The Sleepy Owl Pleasure Club easily defeated the New Milford Club on the latest round of the New Milford N. J. yesterday. The score was 12 to 6.

Sweetser Lowers Own Record With a 69 on Ardsley Course

By Ray McCarthy

Jesse Sweetser, young golfer of Ardsley and Siwanoy, is rapidly developing a habit of breaking course records. Recently he broke two course records within a week. Yesterday he lowered his own record of 69 for the Ardsley course by getting a 67 in a team match between Ardsley and Belleaire, which the former won by 11 to 2. Ardsley won all but two singles matches.

Sweetser was playing against Fulkerson, a capable youngster, when he scored his 67. His golf play was flawless. He was driving a tremendously long ball and pitching dead to the flag on practically every green. At the eleventh, a short hole of 171 yards, he hit his pitch shot too softly and the ball fell into the brook that runs in front of the green. Instead of lifting it played out to the edge of the green and then heled his chip shot. His card: Out 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100, 101, 102, 103, 104, 105, 106, 107, 108, 109, 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 144, 145, 146, 147, 148, 149, 150, 151, 152, 153, 154, 155, 156, 157, 158, 159, 160, 161, 162, 163, 164, 165, 166, 167, 168, 169, 170, 171, 172, 173, 174, 175, 176, 177, 178, 179, 180, 181, 182, 183, 184, 185, 186, 187, 188, 189, 190, 191, 192, 193, 194, 195, 196, 197, 198, 199, 200, 201, 202, 203, 204, 205, 206, 207, 208, 209, 210, 211, 212, 213, 214, 215, 216, 217, 218, 219, 220, 221, 222, 223, 224, 225, 226, 227, 228, 229, 230, 231, 232, 233, 234, 235, 236, 237, 238, 239, 240, 241, 242, 243, 244, 245, 246, 247, 248, 249, 250, 251, 252, 253, 254, 255, 256, 257, 258, 259, 260, 261, 262, 263, 264, 265, 266, 267, 268, 269, 270, 271, 272, 273, 274, 275, 276, 277, 278, 279, 280, 281, 282, 283, 284, 285, 286, 287, 288, 289, 290, 291, 292, 293, 294, 295, 296, 297, 298, 299, 300, 301, 302, 303, 304, 305, 306, 307, 308, 309, 310, 311, 312, 313, 314, 315, 316, 317, 318, 319, 320, 321, 322, 323, 324, 325, 326, 327, 328, 329, 330, 331, 332, 333, 334, 335, 336, 337, 338, 339, 340, 341, 342, 343, 344, 345, 346, 347, 348, 349, 350, 351, 352, 353, 354, 355, 356, 357, 358, 359, 360, 361, 362, 363, 364, 365, 366, 367, 368, 369, 370, 371, 372, 373, 374, 375, 376, 377, 378, 379, 380, 381, 382, 383, 384, 385, 386, 387, 388, 389, 390, 391, 392, 393, 394, 395, 396, 397, 398, 399, 400, 401, 402, 403, 404, 405, 406, 407, 408, 409, 410, 411, 412, 413, 414, 415, 416, 417, 418, 419, 420, 421, 422, 423, 424, 425, 426, 427, 428, 429, 430, 431, 432, 433, 434, 435, 436, 437, 438, 439, 440, 441, 442, 443, 444, 445, 446, 447, 448, 449, 450, 451, 452, 453, 454, 455, 456, 457, 458, 459, 460, 461, 462, 463, 464, 465, 466, 467, 468, 469, 470, 471, 472, 473, 474, 475, 476, 477, 478, 479, 480, 481, 482, 483, 484, 485, 486, 487, 488, 489, 490, 491, 492, 493, 494, 495, 496, 497, 498, 499, 500, 501, 502, 503, 504, 505, 506, 507, 508, 509, 510, 511, 512, 513, 514, 515, 516, 517, 518, 519, 520, 521, 522, 523, 524, 525, 526, 527, 528, 529, 530, 531, 532, 533, 534, 535, 536, 537, 538, 539, 540, 541, 542, 543, 544, 545, 546, 547, 548, 549, 550, 551, 552, 553, 554, 555, 556, 557, 558, 559, 560, 561, 562, 563, 564, 565, 566, 567, 568, 569, 570, 571, 572, 573, 574, 575, 576, 577, 578, 579, 580, 581, 582, 583, 584, 585, 586, 587, 588, 589, 590, 591, 592, 593, 594, 595, 596, 597, 598, 599, 600, 601, 602, 603, 604, 605, 606, 607, 608, 609, 610, 611, 612, 613, 614, 615, 616, 617, 618, 619, 620, 621, 622, 623, 624, 625, 626, 627, 628, 629, 630, 631, 632, 633, 634, 635, 636, 637, 638, 639, 640, 641, 642, 643, 644, 645, 646, 647, 648, 649, 650, 651, 652, 653, 654, 655, 656, 657, 658, 659, 660, 661, 662, 663, 664, 665, 666, 667, 668, 669, 670, 671, 672, 673, 674, 675, 676, 677, 678, 679, 680, 681, 682, 683, 684, 685, 686, 687, 688, 689, 690, 691, 692, 693, 694, 695, 696, 697, 698, 699, 700, 701, 702, 703, 704, 705, 706, 707, 708, 709, 710, 711, 712, 713, 714, 715, 716, 717, 718, 719, 720, 721, 722, 723, 724, 725, 726, 727, 728, 729, 730, 731, 732, 733, 734, 735, 736, 737, 738, 739, 740, 741, 742, 743, 744, 745, 746, 747, 748, 749, 750, 751, 752, 753, 754, 755, 756, 757, 758, 759, 760, 761, 762, 763, 764, 765, 766, 767, 768, 769, 770, 771, 772, 773, 774, 775, 776, 777, 778, 779, 780, 781, 782, 783, 784, 785, 786, 787, 788, 789, 790, 791, 792, 793, 794, 795, 796, 797, 798, 799, 800, 801, 802, 803, 804, 805, 806, 807, 808, 809, 810, 811, 812, 813, 814, 815, 816, 817, 818, 819, 820, 821, 822, 823, 824, 825, 826, 827, 828, 829, 830, 831, 832, 833, 834, 835, 836, 837, 838, 839, 840, 841, 842, 843, 844, 845, 846, 847, 848, 849, 850, 851, 852, 853, 854, 855, 856, 857, 858, 859, 860, 861, 862, 863, 864, 865, 866, 867, 868, 869, 870, 871, 872, 873, 874, 875, 876, 877, 878, 879, 880, 881, 882, 883, 884, 885, 886, 887, 888, 889, 890, 891, 892, 893, 894, 895, 896, 897, 898, 899, 900, 901, 902, 903, 904, 905, 906, 907, 908, 909, 910, 911, 912, 913, 914, 915, 916, 917, 918, 919, 920, 921, 922, 923, 924, 925, 926, 927, 928, 929, 930, 931, 932, 933, 934, 935, 936, 937, 938, 939, 940, 941, 942, 943, 944, 945, 946, 947, 948, 949, 950, 951, 952, 953, 954, 955, 956, 957, 958, 959, 960, 961, 962, 963, 964, 965, 966, 967, 968, 969, 970, 971, 972, 973, 974, 975, 976, 977, 978, 979, 980, 981, 982, 983, 984, 985, 986, 987, 988, 989, 990, 991, 992, 993, 994, 995, 996, 997, 998, 999, 1000.

Jim Barnes, of the Pelham club, and Walter Hagen will not compete in this meeting to-day, as both will be busy packing for their trip abroad. This pair of great golfers will sail for England to compete in the Bencathia. Jock Hutchison sailed last Thursday to defend his title as British open champion. With this trio in the lists the United States is certainly well represented.

The amateur championship of Westchester County will be held Thursday, Friday and Saturday of this week on the course of the Ardsley-on-Hudson club. It is likely that every amateur of note in Westchester will be on hand for the meeting. Among the entries that have been received already are those of Tommy Armour, of Westchester-Biltmore; J. S. Worthington, of Siwanoy; Charles Paul, of Westchester Hills; Leslie Conley, of Siwanoy; Merrill Waters, of the home club, and R. Mundy, Charles H. Brown and Charles V. Benton, of Hudson River Country Club. Entries will be received from all members of clubs in Westchester County up to the time of starting on Thursday.

Thrilling Finish in Two-Mile Race

Here is the finish of the two-mile intercollegiate championship race which thrilled 15,000 persons at Harvard Stadium on Saturday. Walter Higgins, of Columbia, challenged Ray Baker, of Bates, with fifty yards to go, and the pair indulged in a sensational shoulder to shoulder finish, with neither gaining an inch until within a yard of the finish line, where Higgins outgained his famous rival and won by inches.

Frederick C. Anderson, of Brooklyn, is the new North Side champion and holder of the Tilden Challenge Cup, gaining these honors yesterday afternoon through his defeat of Elliott H. Binzen, the defending champion, in the final round match of the annual tournament on the University Heights Tennis Club's clay courts.

The new champion gained his laurels far more easily than it was expected, he would, taking the match in straight sets at 6-3, 6-2, 6-2, and always holding command after the first four games, when Binzen led him at 3-1. It seemed to require about three or four games for Anderson to solve the intricacies of Binzen's chop strokes, but after that he was never troubled.

The tall Brooklyn player has rarely played better tennis than he showed yesterday against Binzen. Not only was his ground strokes speedy and under fine control, but his volleying was also above the average and his tremendous backhand stroke made it almost impossible for Binzen to place his returns out of Anderson's reach.

The new champion handled Binzen's tricky service perfectly, whipping the ball back for deep, well placed drives that forced his opponent on the defensive. Anderson also showed splendid judgment in following in to the net after his forcing shots had made openings in the opposing court, and was generally in position to "kill" returns almost as soon as they had cleared the net.

England Beats Scotland In Soccer Final, 4-1

For the second year in succession England won the annual international competition of the New York Footballers' Protective Association yesterday by defeating Scotland by 4 goals to 1 in the final round before 5,000 fans at New York Oval. The Scotch team showed up bravely in the first half and had established a 1-0 lead before ends were changed.

Two goals, one in the first two minutes and another twenty minutes later, gave England the upper hand. The one-sided aspect of the final score was due to a couple of points scored through lucky breaks on the part of the English forwards in the last five minutes of the game.

O'Neill to Ride Ponderland

PARIS, May 28.—Frank O'Neill, the veteran American jockey and the leading rider of the French turf for many years, left for London this evening to ride Sol Jock's Ponderland in the Epsom Derby next Wednesday. Frank McGee, another American jockey, who will have the top job on Lord Londale's Diligence, accompanied O'Neill.

Morvich vs. Snob II Will Be Big Turf Event

AN effort to round out a racing stable that will be second to none, J. S. Cosden has purchased Snob II from John Sanford. The price is a secret, but it is generally believed that Mr. Cosden was forced to top \$75,000 for the three-year-old colt which, certain wise horsemen believe, has a good chance of taking the measure of the great and unbeaten Morvich.

Snob II, if nothing happens to him meanwhile, is likely almost to win himself out in the Belmont, a \$50,000 stake to be raced a week from next Saturday. Morvich is not eligible to this classic and Pillory, the Preakness winner, seems the only one capable of making Snob II stretch his neck through the tortuous mile and three-sixteenths.

Sooner or later Snob II and Morvich are bound to meet and when they do there should be plenty of fun and excitement. They cannot meet before the Dwyer, a mile and an eighth gallop, at Aqueduct. Fred Burlew has not yet decided whether he will start Morvich in the Dwyer. He intends to go after the Latonia Derby and the \$50,000 Latonia Special. If Snob II wins the Belmont he is almost sure to be sent West for the Latonia Special. So whether or not Morvich goes in the Dwyer Matt Winn seems reasonably sure of at least one skirmish for championship honors in the three-year-old class of 1922.

Withdrawal of Real Sportsmen Regretted

THE default of Japan in the Davis Cup matches is a cause for regret among all those who hold a soft place in their hearts for true sportsmanship. When Ichiji Kumagae first came to this country, some six years ago, he impressed everybody in the world of lawn tennis by the magnificent manner in which he accepted both victory and defeat, and, verily, the one is as hard to bear in the proper spirit as the other.

Last year, when Zenzo Shimizu made his first appearance on an American court, playing on the Japanese Davis Cup team with Kumagae and Seichiro Kashio, he proved to be a little brother to Kumagae in all that pertained the finest of sportsmanship as well as in point of playing skill. Kashio, while never attaining to the heights of fame that his two teammates reached, has been distinguished by the same brand of splendid sporting spirit.

More is the pity, therefore, that circumstances compel Kumagae, Shimizu and Kashio to retire from the world-wide competition that they have done so much to make notable. In their absence from the field of honor we shall miss three gallant foemen and three staunch friends.

Piani Defeats Veteran Kramer In Match Race

Italian Champion Wins Two Out of Three 1-Mile Heats at Newark Velodrome

Orlando Piani, the Italian sprinter, riding in a brilliant manner, defeated Frank Kramer, American champion, in two out of three heats of a mile match race before a large crowd at the Velodrome in Newark yesterday afternoon. Kramer won the first heat, but Piani came back and trimmed the champion in the next two. The Italian fans were highly elated over the victory of their countryman.

Kramer in the first heat rode Piani him to the top, Piani made two efforts to go by Kramer, but each time he failed, Kramer racing him stride for stride. In the battle down the home stretch Kramer won by half a length.

Piani won the second and third heats by riding from in front. In the second heat he caught Kramer napping and sprinted to the front just before the finish. Kramer tried hard to get by Piani down the backstretch but did not have the necessary kick. Piani won both heats by about a length.
